

Data Access and Sharing Protocols

As part of your access to this system, you will receive and interact with data that is governed by Somalia's Data Protection Act and the Ministry of Labour and Social Affairs (MoLSA) Data Protection Operational Guidelines.

Key Points:

- The data you will receive is subject to confidentiality and can only be used for purposes outlined in your signed data sharing agreement.
- This data is shared in compliance with the applicable laws and operational guidelines, ensuring that your access to it aligns with Somalia's legal framework.
- You are required to maintain the confidentiality of the data and not to share it with unauthorized parties.

Your Acknowledgement: By clicking "**Confirm**", you acknowledge that you understand the nature of the data being shared, the protocols in place to protect it, and your responsibility to adhere to the terms outlined in the signed data sharing agreement and confidentiality contract.

Please click "**Confirm**" to proceed with receiving and accessing the data.
